

Does your cat have diabetes?

Do you need help and support?

Cats Protection has a register of volunteers who have practical knowledge of diabetic cats and who are willing to give help and support to others.

For more information please phone our National Helpline on

03000 12 12 12

or email

helpline@cats.org.uk

The Diabetic Cat Register is supported by Intervet/Schering-Plough Animal Health

Intervet
